

Essential Learnings Assessment

Washington CSD ♦ 2006

The assessment for this unit is a picture sort activity. An assisting adult gives each child, in a one-on-one format, two photos at a time and asks the student what is in the pictures and which form of the item pictured is from long ago.

Essential Learnings	Assessment Pictures
<ul style="list-style-type: none"> ❖ Children are introduced to the concepts of change and continuity over time. ❖ Children learn that many years ago, long before they were born, life was different than it is today. 	
<ul style="list-style-type: none"> ❖ Children learn about Toys from long ago and today. 	Photos of: <ul style="list-style-type: none"> ❖ Toys Long ago and Today.
<ul style="list-style-type: none"> ❖ Children learn about food preparation long ago and today. 	Photos of: <ul style="list-style-type: none"> ❖ Kitchen Appliances Long ago and Today.
<ul style="list-style-type: none"> ❖ Children learn how transportation methods have changed. 	Photos of: <ul style="list-style-type: none"> ❖ Horse and wagon ❖ Early cars ❖ Airplanes
<ul style="list-style-type: none"> ❖ Children learn about music machines long ago and today. 	Photos of: <ul style="list-style-type: none"> ❖ Phonographs and CD players.
<ul style="list-style-type: none"> ❖ Children learn about telephones and lights long ago and today. 	Photos of: <ul style="list-style-type: none"> ❖ Telephones ago and today ❖ Candles ❖ Light bulbs
